Album "No Previous Record"

I used to hope the aliens would please pick me
Now if I saw a spaceship
I would u-turn and floor it Ta-ta ET
Maybe my sense of adventure receded from focus
To dwindle and then disappear
Or maybe it's just getting hard not to notice
There's plenty to do around here.

I used to run fast just to dive to the ground
In our Cheyenne and Sugarfoot game
Now it's true I get stiff just from sitting around
But I do like to sit just the same
And I don't mind the old, I don't mind the gray
It's not like I was Miss Clairol anyway
And it's okay with me that I will not be
The first to find out if the swing works okay.

'cause I don't have to remember Laissez-Faire taught
us
I don't even own any good shoes
And if you're having apples with mayonnaise and
walnuts
I can just say "No thank you..."
