Don't wanna feel you in my heart
Don't wanna see you in my dreams anymore
Don't need to hear you're doin' fine
Baby, I'm sure.

Don't wanna call you on the phone
Don't wanna hear you being kind to me
I'll either make it or I won't
Baby, we'll see.

Chorus:

I never meant to be your fool
What can I do? I know it hurts you too
I wasn't careful at the start
Me with my dreams, you with your change of heart.

Don't wanna look into your eyes
Don't wanna see the way it might have been
Well, you think I can't see gentle lies
But baby, I can.

Chorus:

I never meant to be your fool
What can I do? I know it hurts you too
I wasn't careful at the start
Me with my dreams, you with your change of heart.

Don't wanna spend another night
Alone and swearin' I will take control
I'm workin' overtime to hide
What you already know.

Chorus:

I never meant to be your fool
What can I do? I know it hurts you too
I wasn't careful at the start
Me with my dreams, you with your change of heart.

Baby, I'm sure
Baby, I'm sure
Baby, I'm sure...
