(Cheryl Wheeler)  
Album "No Previous Record"

Oh I don't know where to go  
And I don't know how to find my place in time  
I have run down all I know  
Every mornin' comes again  
Every night I'm rollin' in, runnin' low.

And the world seems all the same  
Like I know them all by face if not by name  
Oh the winter plays a tune  
In the coldest key I know  
And a part of me is followin' soon.

With the sunrise on the bay  
All the streetlights lose their glow and fade away  
Then the lines come, blue and gray  
And I draw my shade again as the mornin's rollin' in to  
the day.

Turn the light out, close the door  
Tell the heartache I don't need it anymore  
I have cried out all I can  
I will leave it runnin' low till a warmer wind is blowin'  
again...
