Chorus:

Gimme the right sign  
I'll try to give you what you need  
I'll make the right moves  
Just gimme the right sign  
I'll try to give you everything.

I'm so slow to notice subtle changes, day by day  
I'll wake up one day and we'll be strangers, so you say  
'Cause these things never have a happy ending  
But I believe it isn't true  
You know better than to keep pretending  
When I'm not good at seein through you  
And all you've ever gotta do is.

Chorus:

Gimme the right sign  
I'll try to give you what you need  
I'll make the right moves  
Just gimme the right sign  
I'll try to give you everything.

Everybody's talkin 'bout when times were better  
Or how things might have been  
If all the people toed the line and pulled together  
Like way back when  
And you and I haven't got a snowball's chance  
This world's gone crazy with an attitude  
No one really wants to find romance  
They don't make lovers like they used to do  
Well, don't you listen, cause it just isn't true - if you.

Chorus:

Gimme the right sign  
I'll try to give you what you need  
I'll make the right moves  
Just gimme the right sign  
I'll try to give you everything.

I can't find it out if you won't tell me  
I can't buy what you refuse to sell me

No one's guessin now you better show it  
All you gotta do is let me know it..
