T.V.

I'm glad I weren't no pioneer
Ridin' in a wagon cross the great frontier
I'm playin' by candlelight
Power's out here
And I can't watch TV.

I can't do nothin' - nothin' at all
Everything comes from a switch on the wall
Drives me nuts when it won't behave
No popcorn from the microwave.

Oh yeah yeah, yeah, sky's real nice
Moon's real big, star's real bright
Cable calls and it don't seem right
That I can't watch TV.

And it breaks my heart all I'm missin'
Bowling shoes, old guys fishin'
How the dogs on the track did
Near death stuff re-enacted.

Where to call to talk to strangers
Interviews with hockey players
How to lose a pound a minute
Make big bucks, be rollin' in it
Shopping clubs, gladiators.

Cher's make-up, roller skaters
Rhinestone studs in your new skirt
Bald guy stuff, psychic network
Don't you feel bad for me
That I can't watch TV.

Oh yeah, yeah, yeah, sky's real nice
Moon's real big , star's real bright
Cable calls and it don't seem right
That I can't watch TV.

Cable calls and it don't seem right

That I can't watch TV...
