I'm not your girl, I'm not your friend  
But I can tell exactly how your night's gon' end  
I see you chillin', you're still unaware  
But boy I'm coming for you so you best beware  
There's no escape, don't even try to run  
Can't get away it's already begun

### CHORUS

Oh, I already taste your mouth  
Boy, I'm gonna turn you out  
You're in trouble, there's no doubt  
Boy, I'm gonna make you shiver

### VERSE 2

I'm getting closer, close enough to touch  
Gonna dance up on you till you can't stand up  
Boy you can't fight it, I'm in control  
Got all my ammunition and you're all alone  
No flashing lights, no sirens gonna ring  
You're in my sights, no one will hear you scream

### CHORUS

Oh, I already taste your mouth  
Boy, I'm gonna turn you out  
You're in trouble, there's no doubt  
Boy, I'm gonna make you shiver

Oh, I already taste your mouth  
Boy, I'm gonna take you down  
You're in trouble, there's no way out  
Boy, I'm gonna make you shiver

### CHORUS
