Brother Jukebox -- Mark Chestnutt

CHORUS:

] Brother jukebox
] Sister wine
] Mother freedom
] Father of time
] Since she left me, by myself
] You're the only familee, I've got left

I go down to that ol' cafe
Where I try to wash my troubles away
I'm still down and I'm still all alone
But it beats stayin' home all night long

-- CHORUS --

I go home, and I climb that ol' stairway
And I tell myself that tommorow's a new day
But I know, I'll just go out again
And spend my time with my new next of kin

-- CHORUS (Twice) --

You're the only familee, I've got left
