Six short months we went together
Decided it should be forever
Two paychecks are better than one
A diamond ring and it was done
I bought her a house like I said I would
In a subdivided neighborhood
The fuse got short and the nights got long
It was over long gone, before I knew
Where I was headed too
I'm goin' through the big-d and don't mean Dallas
I can't believe what the judge had to tell us,
I got the Jeep, she got the palace
I'm goin' through the big-d and don't mean Dallas
Things like this are never final
I'm still paying on the Vinyl flooring
In the laundry room, it's multicolored
And waterproof
It's a little bit tough to face my friends
The ones that said that I jumped in
The river of love a little to soon,
That was August, This is June
I'm going' through the big-d and don't mean Dallas
I can't believe what the judge had to tell us,
I got the Jeep, she got the palace
I'm goin' through the big-d and don't mean Dallas
I'm goin' through the big-d and don't mean Dallas
I can't believe what the judge had to tell us,
I got the Jeep, she got the
Two bedroom, mortgage is due siding light blue palace
I'm going through the big-d and don't mean Dallas
