Storm clouds rising, flash of lightning  
Rattles that old porch swing  
Window open, curtains dancing  
Just you and me  
As the thunder rolls on, we'll just hold on,  
'Neath the light of this candle flame  
Oh this is perfect, what a night,  
Let it rain  
Let your love come down  
All around, let it fill my heart  
Let it flood this house  
Let the world outside, just wash on by  
We'll just lay right here, and hold on tight  
Let it rain, let it rain  
Old man weather, had it together  
When he planned this night  
From out of the blue, he set the mood  
Turned out the lights  
Just when we thought the storm was over  
Here it comes again.  
So lay back down in these arms,  
Let it rain  
Let your love come down  
All around, let it fill my heart  
Let it flood this house  
Let the world outside, just wash on by  
We'll just lay right here, and hold on tight  
Let it rain, let it rain  
Let it rain
