MOLOKOV

In that case

I must ask you

Why you now

Preside over a brawl

FLORENCE

I'm not getting rich

My only interest

Is in something which

Gives me the chance

Of working with the best

ANATOLY

I can only say

I hope your dream comes true

Till that far-off day

I hope you cope

With helping number two

FLORENCE & ANATOLY

MOLOKOV & ARBITER

How sad

It's very sad to see

to see

The ancient and distinguished game that used to be

ALL

A model of decorum and tranquility

Become like any other sport

A battleground for rival ideologies

To slug it out with glee
