Well it sure feels good to come in here, and just pull up  
a seat  
A Frosty mug of a cool one helps to beat the heat  
These old dog days of summer, Lord I'll be glad when  
they're gone  
Too hot to fish, too hot for golf  
And too cold at home  
Well that baseball game on TV takes me back to when I  
was a kid  
We proudly wore our uniforms, just like the dodgers  
did  
Well we lost a few and lost a few, and for me it still  
goes on  
It's too hot to fish, too hot for golf  
And too cold at home  
Well I only planned on one or two, I might stay for three  
If that good looking thing in the corner keeps smiling  
back at me  
It's so easy not to care about what's right or what's  
wrong  
It's too hot to fish, too hot for golf  
And too cold at home  
Well I only planned on one or two, I may stay for three  
If that good looking thing in the corner keeps smiling  
back at me  
It's so easy not to care about what's right or what's  
wrong  
It's too hot to fish, too hot for golf  
And too cold at home  
It's too hot to fish, too hot for golf  
And too cold at home
