Caught up against the wall again  
Tied my chain to the ball again  
It never seems to amaze my mind  
So I just sleep sleep sleep  
Sleep, sleep, sleep, please don't  
Wake me 'til the morning after  
Wake me 'til the morning after

Cut and bruised by the fall again  
Lick my wounds like a dog again  
Is that a light at the end of the tunnel  
That I see I see, please let it be but don't  
Wake me 'til the morning after  
Wake me 'til the morning after

Wake me 'til the morning after  
I'm so tired, there has got to be an end  
To the pain I feel  
When I'm awake and alive alive alive  
Alive and I'm dreaming

Caught up against the wall again  
Tied my chain to the ball again  
It never seems to amaze my mind  
So I just sleep sleep sleep  
Sleep, sleep, sleep, please don't  
Wake me 'til the morning after  
Wake me 'til the morning after

Wake me 'til the morning after  
I'm so tired there has got to be an end  
To the pain I feel  
When I'm awake and alive alive alive  
Alive and I'm dreaming
