I'm a liar, I'm a liar a denier

yeah, liar, liar

come on, thats right

call me liar, liar pants on fire  
and i wont stop till i retire  
scream like a choir when i wanna get higher  
guitar strings made outta barbed wire  
wait a minute, you dont wanna get started  
cold-hearted since the day kiss departed  
im not aggravated more frustrated  
hated, everything inside its true i made it

im a liar, liar, liar  
pant out-lated, dues ive paid it  
i must be painted, i can never be faded  
oh no another summer in the city  
girls look pretty and the boys like chillin

im a liar, a denier, believe me im a liar  
[Liar]  
i cant hide it, dont you buy it  
believe me, im a liar

liar, liar, liar

Thats right yall...uhh  
its so real, gotta read between the lines  
seeking you will find, oh you better speak your mind

at some point in place cuz you dont wanna get it
