System, system
System, system

You fell away, what more can I say?
The feeling's evolved, I won't let it out
I can't replace, your screaming face
Feeling the sickness inside

Why won't you die?
Your blood in mine
We'll be fine
Then your body will be mine

System, system
System, system

So many words, can't describe my face
This feeling's evolved, so soon to break out
I can't relate to a happy state
Feeling the blood run inside

Why won't you die?
Your blood and mine
We'll be fine
Then your body will be mine

Why is everything so fucking hard for me?
Keep me down to what you think I should be
Must you tempt me and provoke the ministry?
Keep on trying I'll not die so easily

I will not die
(Why is everything so fucking hard for me?)
I will not die
(Why is everything so fucking hard for me?)
I will not die

Why won't you die?
Your blood and mine
We'll be fine
Then your body will be mine

Why won't you die?
Your blood and mine
We'll be fine
Then your body will be mine
