Chorus:

You got me thinkin everyday
(your always) on my mind
All the time
You got me thinkin everyday
(your always) on my mind
All the time

Last night when you left me
Suga you've been on my mind
....were special
(mmmm) you're one of a kind
Pretty brown eyes
Please be kind
The day you walked in my life
It was right on time you got me thinkin

Chorus:

You got me thinkin everyday
(your always) on my mind
All the time
You got me thinkin everyday
(your always) on my mind
All the time

It's funny how you got me sittin here
All alone now I'm waitin by the phone
Boy you got me doin things
I've never done before
Baby I must admit it
You know you did it to me
Can't you see how you changed me
24 hours

Chorus:

You got me thinkin everyday
(your always) on my mind
All the time
You got me thinkin everyday
(your always) on my mind
All the time

I want to be (I want to be)

I want to be the one (so much life)
Give you myself I am falling so
(I want to be your....)
Lady baby (baby)

Oh oh....

You got me changin (changin over)
Youuuuuuuuuuuuu

Always on my mind all the time

Chorus:
You got me thinkin everyday
(your always) on my mind
All the time
You got me thinkin everyday
(your always) on my mind
All the time
