

## **Before Dark** **"Baby Feat. Sole"**

Visit "[Baby Feat. Sole](#)" on MotoLyrics.com

Iâ€™ve spent all my days, all my time  
Thinkinâ€™ Â‘bout you, baby  
Now itâ€™s the things you do  
Thatâ€™s got me feeninâ€™ for you, my baby, ooh...yeah

Give me what I want  
And I will make you happy  
Iâ€™ll give you what you need  
And we can make it happen

Donâ€™t you wait no longer  
I canâ€™t take this, baby  
Can I be with you  
Donâ€™t you know you got me hopinâ€™, baby

You know I want you badly (Mmm, hmm) , baby  
And you know you feel the same way too  
Iâ€™m the one to keep you happy, baby  
Just let me be down with you  
Baby-baby-baby-baby-baby

Seven days I miss you  
Seven nights you know Iâ€™m thinkinâ€™ Â‘bout you  
Now while weâ€™re wastinâ€™ time when you know you  
should  
be mine  
Stop fakinâ€™ Â‘cause you know you got it goinâ€™ on

You know (Uh) I want you badly, baby  
You know you feel the same way too (Too)  
Iâ€™m the one to keep you happy, baby  
Just let me be down with you  
Baby-baby-baby-baby-baby

You are the one I see in my fantasies  
When Iâ€™m dreaminâ€™ (When Iâ€™m dreaminâ€™)  
Iâ€™ll be your everything (Everything)  
If you get down with me, Iâ€™ll give you what you need,  
baby

Uh, yeah  
Youâ€™ll be begginâ€™ me please, "Want you bad" on my

hands on knees  
Got that fire, so you sweat when I take the T  
Get it hot, baby, don't drop, feel the breeze  
Get you sprung with the love shots I'll receive  
Do it well when I freak you  
If you comin' with ends then I'mma keep that  
Don't be waitin' too long or it will be gone be long  
Before Dark singin' a song, now bring it on, what

You know I want you badly, baby (I want you badly)  
You know you feel the same way too (You know)  
I'm the one to keep you happy, baby (Baby-baby)  
Just let me be down with you  
Baby-baby-baby-baby-baby (I wanna be down, I gotta  
be  
down)

You know I want you badly, baby  
You know you feel the same way too  
I'm the one to keep you happy, baby  
Just let me be down with you  
Baby-baby-baby-baby-baby

I want you badly, baby  
You
