PUSH! SHOVE!  
WHAT YOU GONNA DO  
YOU GONNA  
PUSH, PUSH, AND SHOVE AND SHOVE  
PUSH, PUSH AND SHOVE AND SHOVE  
PUSH! SHOVE!  
WHAT YOU GONNA SAY  
YOU GONNA  
PUSH, PUSH, AND SHOVE AND SHOVE  
PUSH, PUSH, AND SHOVE AND SHOVE

Verse 1:

What the dealy yo?  
Wit' the way you looking at me  
You know how it goes  
Don't take a look,  
Just a little peak  
Come on, I see you over there  
Your eyes are telling me something  
But you got to get in line with the rest  
Show them that your the best  
And show me  
So you got to.....

CHORUS

Verse 2:

SOMETIMES...!  
You gotta sweat a bit for the one you want  
SOMETIMES...!  
You gotta show them what your made of  
Intelligence, Confidence, Patience  
And don't forget Reasons...!  
Something more important than radiance  
With the pictures of tenderness  
Pull your head above the rest  
Your struggling,  
And your heads astray  
But your so close  
You've got to keep on.....

CHORUS  
PUSH SHOVE  
What you gonna do to me(What?)  
PUSH SHOVE  
What you gonna say to me(What?)  
Push push and shove and shove  
Push push and shove and shove  
Slip and slide  
Telling my eyes(Before Dark)(Baby!)  
Would you lie, steal, beg, or plead?  
PUSH PUSH AND SHOVE AND SHOVE  
PUSH PUSH AND SHOVE AND SHOVE

(DogChow Rap):  
Will you help me to find you?  
I got a 500 SL  
Baby, Can I ride wit' you?  
Wanna push and a shove you  
Holding you  
Gotta a lotta for you  
I wanna see you every weekend  
'cause I can give you what you need then  
Rub your hot/warm shoulders on a bad day  
I want you close to me  
'cause that's the way it is supposed to be  
It's your love that I'm needing  
I'll take you out to eat then  
We'll never stop speakin'  
Can you feel me girl?  
If I had my way,  
I'll give you the world  
Whatever you need  
Even the Benz, I'll throw you the keys  
I'll get your nails and your feet done  
Airbrush and a pedicure  
And I hope that your ready girl  
Even take long walks around the park, girl  
Only yours, Dog!
