Am I Alone in here? (x 4)

Knew you were here  
Sister confirms suspicions  
and beside that note that you left on my  
Bed where i held you so close  
did you think i'd forget  
Couldn't be more of a mess  
For to breathe used to be another  
way I'd take you in

Well It's time to wake up  
and Separate Feelings  
that I keep Falling into  
Each Seems like good reasons  
and I Feel a Breakdown  
I don't care if it shows up  
i'm praying this for you  
Till it's answered Ill say

Now it seems there's a choice  
That began with a break  
so today know that never again  
will i know you that way

Well It's time to wake up  
and Separate Feelings  
that I keep Falling into  
Seem like good reasons  
But I'm Gonna Breakdown  
I don't care if it shows up  
i'm praying this for you  
Till it's answered Ill say

AM I ALONE IN HERE? (x 12)
