Falling in love...  
Falling in love...  
Falling in love...  
Falling in love...

I  
Need your love in every way  
And I feel this everyday  
Cause I have too many tears  
To fall in love again

Now  
I am walking around  
In this side of the town  
I just can't hideaway  
How can I look in your eyes  
When I feel like to die  
I have to runaway

Dariram dariram dariram  
Darirarirariram  
Dariraram dam  
Dariri  
Ram dariram dariram  
Darirarirariram  
Dariraram dam  
And I'm falling in love again...

Life can be hard so many times  
How can I just live it fine  
And I'm tryin' now to smile  
And fall in love again
