Oooo ooo ooo,
Oooo ooo ooo.
Oooo ooo oooooH!

I'm tired of your open mouth,
Crawling inside my skin,
And this play we never quit,
The fight within the cross begun,
Sayin' it's too late,
What a man's gotta learn to hate (hate).

Urrahh!

Forget the time I said I would,
Replace it with,
The never will,
Beyond the facts that are in your face,
Ignore the facts beyond your nose,
Sayin' it's to late,
What a man's gotta learn to hate.

GROW UP

Not without meaning,
No response,
Not a feeling.

Hhhhhuu hhhhhu uhhh
Hhhhhuu hhhhhu uhhh

JUST GROW UP!

RRUHH!
RRUHH!
RRUHH!
RRUHH!

Uhhhreh!
