

Chevelle "Get Some"

I tried an idea
For no reason
Keep the sun
Off our shoulders
Crawling back to

A blackout
Touching new life
Face down
Set the pace again
Set the pace again

The drive, the idea
Still existing
Sat and shuddered
Broke the pattern
Falling inward

In and down, up and out
Let it go
Follow way back, call it off
Any day, anyway
Make you feel this

A blackout
Touching new life
Face down
Set the pace again

A blackout
Touching new life
Face down
Set the pace again

Don't take the fall
We'd hate to see
That's entertainment
Get some

Eyes on the goal
Last one to get
Is passed over

Looked over

Never rehearse
They've spiked the water
It's in the blood
Get some

We've underestimated
How can I
Get some?

How can I?
How can I?
How can I
Get some?

How can I?
How can I?
How can I
Get some?

A blackout
Touching new life
Face down
Set the pace again

A blackout
Touching new life
Face down
Set the pace again

A blackout
Could this be the one?
A blackout
Could this be the one?

A blackout
Could this be the one?
A blackout
Could this be the one?
