Your pretending,  
Fooled us all.  
Optimistic,  
Delusional.  
Hyperactive,  
And so it showed.  
It's time to measure,  
The immeasurable.

Our indifference grows,  
From the common evil known,

The future's made out,  
Beautiful.  
Design suggesting,  
No hints to God.  
A line to fathom the unfathomable,  
And swear to find that fresh(?) point.

Our indifference,  
Grows.

Like the common evil,  
Known,  
Held down by words.
