Hold onto chance
Lest we bleed ourselves
Then save for the pets
They're the loneliest

Put into jars
We'll save this earth
Put into jars
We'll save this earth

We can't both become the same pawn
That's made to fall
Oil that tastes like blood
Stole the summer scent
From me to you
You're stabbing me through you
You're stabbing you through him
And betting most of...
This world!
We'll add enough of the world

Steal from yourselves
It never felt so good
Collect feed from their hand's
Confused by opposites

Put into jars
We'll save this earth
Put into jars
Keep safe this earth

We can't both become the same pawn
That's made to fall
Oil that tastes like blood
Stole the summer scent
From me to you
You're stabbing me through you
You're stabbing you through him
And betting most of...

This world!
We'll add enough of the world (x2)

Feeling manic for a day
Depends on the trends
Depends on the surface
If the sun never sets

We can't both become the same pawn
That's made to fall
Oil that tastes like blood
Stole the summer scent
From me to you
You're stabbing me through you
You're stabbing you through him
And betting most of...
This world!
We'll add enough of the world

Is the main thing you'll shout
Till the bitter end...

Into Jars
