Am I alone in here?  
Am I alone in here?  
Am I alone in here?  
Am I alone in here?

Knew you were here,  
Sister confirmed suspicions,  
And beside the note,  
That you left on my bed,  
Where I held you close,  
Did you think I'd forget?  
Couldn't be more of a mess,  
For to breathe,  
used to be another way,  
I'd take you in.

Well its time to wake up,  
And separate feelings,  
That I keep falling into,  
Each seem like good reasons,  
That I feel I'm a break down,  
I don't care if it shows up,  
I'm praying this for you,  
Until it turns it all safe.

Now it seems there's a choice,  
Let me get with a break,  
Listen today,  
Know that never again,  
Will I know you that way.

Well its time to wake up,  
And separate feelings,  
That I keep falling into,  
Each seem like good reasons,  
That I feel I'monna break down,  
I don't care if it shows up,  
I'm praying this for you,  
Until it turns it all safe.

Am I alone in here?

Am I alone in here?  
Am I alone in here?  
Am I alone in here?  
Am I alone in here?  
Am I alone in here?  
Am I alone in here?  
Am I alone in here?  
Am I alone in here?  
Am I alone in here?  
Am I alone in here?  
Am I alone in here?  
Am I alone in here?
