I'd like to leave this  
In my youth  
Pick me up on your way  
Send away virus  
Drink sight is water  
Drink sight is water

Watch him sell mugs to bikers  
To make a million dollars  
Place you stamp here  
Send out love letters

C'mon, enough said  
The skin on top his hands  
Has dried to red  
The words, want 'em touch 'em  
The nerve, why are you here now?  
Why are you? Why are you?  
Aah

Back off peer  
I'm on top of this  
Back off peer  
I'm on top of this  
Back off

I need to make decisions  
And I want to leave  
Yea, back off  
Back off peer  
I need to make decisions  
And I want to leave  
Yea, back off

Back off  
Back off  
(Back off)  
Back off  
Back off  
(Back off)  
Back off  
Back off

(Back off)  
Back off  
Back off  
(Back off)

Yeah
