It seems I've gained the world but I have nothing
To keep tabs upon this loss isn't wasted time
Face opportunities to recognize now we have the time
Rebuke, don't choke on this twisted dream
Cause he'll say pay for it, the whole sum
he'll say magnify pain is point number one
Cause he'll say pay for it, the whole sum
Or to magnify pain is point number one
It seems I've gained the world but I have nothing
To keep tabs upon this loss isn't wasted time
Face opportunities to recognize now we have the time
Rebuke, don't choke on this twisted dream
Cause he'll say pay for it, the whole sum
Or magnify pain is point number one
We need a healing aloe plant
Your soothing hands run down my back
Hate - Well couldn't do, couldn't do no wrong
Hate Watch it boy, this could do you in
We need a healing aloe plant
Your soothing hands run down my back
We need a healing aloe plant
Your soothing hands run down my back
