Rushed and told  
Their betting continued  
Be at their marks  
But some withhold  
And won't be held  
Under the spell

Bribed when tried  
They focused on the balling  
Of our men till now  
God left inside the underbelly's choke

Well you assumed  
At least they'll call us  
Men again  
For those shadows  
That keep on crawling  
Out from under cloaks

Behold rest assured  
The sleep walking elite  
When their days  
Are numbered like the shallow  
When they sit  
On their knees  
On their knees

On their knees  
As they sit  
On their knees  
On their knees  
On their knees

And you assumed  
At least they'll call us  
Men again  
For those shadows  
That keep on crawling  
Out from under cloaks

Close

Well you assumed  
At least they'll call us  
Men again  
For those shadows  
That keep on crawling  
Out from under

Well you assumed  
At least they'll call us  
Men again  
For those shadows  
That keep on crawling  
Out from under...
