Say it
Say it

Along you support
Then embrace
Another reason to see
Success
We unfold
Clutching firm
Betting he panics for sure

Say it
Say it
That it's done
I want it, want it
Need it done
Say it
Say it
That it's done
I want it, want it
Need it done

The lie
Want to know
Has it met
Expectations so far

Say it
Say it
That it's done
I want it, want it
Need it done
Say it
Say it
That it's done
I want it, want it
Need it done

Still running
Never waking up
To Say it
Still running

Never waking up
To Say it

Selfishly walking
Through killing the angles
Picking and choosing
To screw all of them
One by one

So run make commends
Feeling torn
Boy you better be sure
Sure

Still running
Never waking up to say it
Still running
Never waking up to say it
Still running
Never waking up to say it
Still running
Still running
Still running
Still running
Say it
Say it
That it's done
I want it, want it
Need it done
Say it
Say it
That it's done
I want it, want it
Need it done
