Sick

Walk down the realm
Hint to no one that this
Generic bond exists
Evil shows another side

And like before
Makes no sense
Never coming
Always leaving
Right before
Hooked on substance
Dig in deeper
Can't reveal

Why we leave
Well enough alone
Never thought about the shame

Sick

So fed up
What's with the scenes
Observe and leave instead
This pity wagon
Penetrates my skin
So sensitive
Makes me sick

And like before
Makes no sense
Never coming
Always leaving
Right before
Hooked on substance
Dig in deeper
Can't reveal

Why we leave
Well enough alone
Never thought about the shame

The old and the aged
Pulled and never knew what hit
The old and the aged
Rolled and never knew what hit

And like before
Makes no sense
Never coming
Always leaving
Right before
Hooked on substance
Dig in deeper
Can't reveal

Why we leave
Well enough alone
Never thought about the shame

Why we leave
Well enough alone
Never thought about the shame

We leave
We leave
