Keep on dancing
Dance

dance
Just dancing to the beat
Feel the heat
I move my feet
Heading towards the door
I gotta get down
I get down some more
Rhumba and tango
That's in us ali too
Vowsah
yowsah
yowsah
I wanna boogie with you
Ooh
what a gee
Feels so sweet
That body heat
When I'm dancing with my baby
Drives me crazy
Makes me hazy
Rhumba and tango
That's in us all too
Yowsah
yowsah
yowsah
I wanna boogie with you
Dance
