[CHORUS]

My forbidden lover
I don't want no other
My forbidden lover
I don't want no other

I fell in love and I didn't
Want to do it cause I knew
That your love wasn't true
You try to hide that
Sinister appearance and
The lies, those alibis

You'll give your love to
Anyone who asks, yes, you do
And I know that it's true
But still I care and I want to
See you there when I need
Yes, indeed you are

[Repeat CHORUS]

I can't resist that very strong
Urges to have you, dear
Oh, please come here
Just let me love you any time
And any place we dare
We'll just let them stare

You want to love everybody
And everything you can
You're the typical man

Yet still and all
I'm at your beck and call
When you need
Yes, indeed you are

[Repeat CHORUS]

My love is forbidden
We keep our love hidden

My love is forbidden
We keep our love hidden

[Repeat CHORUS 3x to fade]
