Got a one room apartment  
To a little tiny space  
Isn't much, but keeps the rain drops off  
My pretty babys face  
I'm just gettin by  
And the moneys spent  
Don't even know how I'm gonna pay the  
monthly rent  
But I know exactly what I wanna do  
I wanna make this work with you  
(Chorus)  
I know your wandering what I mean  
Nothing in life is guaranteed  
I never know just were I'm going lady  
I need direction in my life

Nah, nah, nah  
No guarantee  
Nah, nah, nah  
No guarantee  
Whil I was out window gazin  
I put your coat on layaway  
You know I wanna buy you diamonds  
Soon as they increase my pay  
Startin from down  
It's hard to kept your head  
Makin love every night  
On a squeaky bed  
That's right that the way it is  
There's no guarantee

(Chrous)  
Then anything you wanna do baby  
Yuo know I'll be down for you lady  
So let's just keep it strong

(Chrous)

Keep it strong  
We gotta keep pushin on  
Keep it strong

We gotta keep pushin on  
And on
