Watchin' the late show  
I made up my mind, oh  
A love that is free like a love should be  
Fallin' behind, oh  
Don't you see you are the one  
I couldn't have begun  
No, your love is cancelled  
No, your love is cancelled

(Just) Look at who you are  
Thinkin' you're a star  
Try and hold me back, breakin' from your pack

Just look at what you've done  
Got me on the run  
Took me for a ride, really hurt my pride

Well I saw it on TV 'bout someone like me  
You just couldn't wait till I feel for you  
To start your deceiving  
It's the truth, you're not the one  
I shouldn't have begun  
No, your love is cancelled  
No, your love is cancelled

(Just) Look at who you are  
Thinkin' you're a star  
Try and hold me back, breakin' from your pack

Just look at what you've done  
Got me on the run  
You hurt my pride, took me for a ride

(Just) Look at who you are  
Thinkin' you're a star  
Try and hold me back, breakin' from your pack

Just look at what you've done  
Got me on the run  
Took me for a ride, really hurt my pride

Your love is cancelled  
Your love is cancelled  
Don't get mad, your love is cancelled  
'Cause your reading's bad  
Your love is cancelled
