He came from Detroit trying win us a crown  
Unlike Probert was not in the town  
And all the COLA C-O-L-A Cola

He walked up to Dale with a shoulder in mess  
He said: I'll work hard and by december I will dress  
My name is Hossa  
It shows as to say Hossa  
HO-HO-HO-HO-HOSSA

He skates real strong and pretty physical guy  
He moves the puck and pulls it between the pipes

Ya he is Hossa  
HO-HO-HO-HO-HOSSA

Well the Hawks have the serious most passion fans  
We know we have good boys now we got the man  
We have HOssa  
HO-HO-HO-HO-HOSSA  
HO-HO-HO-HO-HOSSA

I'll watch him today  
I want him to score  
It's him we adore

He kills all the penalties  
Then he makes the move and scores with ease

That's the way that I want him to play  
I always want him with Kane and Toews

He's my Hossa  
HO-HO-HO-HO-HOSSA

Hawks become Wings and Wings become Hawks  
It's a mixed-up, mongreled-up, shot-gun the world  
Except for Hossa

HO-HO-HO-HO-HOSSA  
HO-HO-HO-HO-HOSSA (8x)
