Chorus:

I got it, the Holy Ghost power.
Do you want it, the Holy Ghost power.
I need it, the Holy Ghost power.
Go back to the altar,
Down on your knees,
Stay there Â'til you get the Holy Ghost power.

Verse:

I remember a long time ago
When the saints, they use to pray,
Down at the altar,

Where they sought the Lord,
And they tarry for the Holy Ghost.

Chorus

Vamp 1:
Go back
And get that Holy Ghost power.

Vamp 2:
Go back

Ending:
Go back to the altar,
Down on your knees,
Stay there Â'til you get the Holy Ghost power.
