Verse 1:

When I wake up in the morning
And I see the sunshine,
And I think about that You're a friend of mine.

I get joy to know You love me,
I get joy to know You care,
From my heart and soul,
I give You all the praise.

Verse 2

My lips are filled with praise,
Thanking You for all You've done.
I lift my hands in worship
Because You're the Holy One.

Now the time has come
To show You how much You mean to me,
From my heart and soul,

I give You all the praise.

From my heart and soul,
I give You all the praise.

Vamp:

Let me take the time to express I love You.
Let me take the time to express I care.

Ending:

Let me take the time to give You all the glory,
From my heart and soul,
I give You all the praise.

From my heart and soul,
I give You all the praise.

From my heart and soul,
I give You all the praise.
