Wake up in the morning, in the middle of the night
Pass by the mirror, make sure I'm lookin' right, uh

Tattoo it on my arm, on the back of your neck
In between your legs baby, so you won't forget me, uh

Chorus:

Don't you worry, it's gonna be alright
I'm in a hurry, I'm gonna drive all night
Be there in the morning, you can bet your @ss
I got both hands on the wheel, and my big foot on the
gas, uh

Whooo

Well'uh, got houses of the holy, on the box
I got it all cranked up cause, yeah that shit rocks, uh
Gotta roll down the window, things are getting all hot
I'm runnin out of gas baby I gotta stop... well

Chorus:

Don't you worry, it's gonna be alright
I'm in a hurry, I'm gonna drive all night
Be there in the morning, you can bet your @ss
I got both hands on the wheel, and my big foot on the
gas yeah

I got my big foot on the gas

Guitar solo

Well, got my imaginations, runnin wild

...

I'm all by myself, ah I crackin up
Better get some rest girl, I'm all pumped up

Chorus:

Don't you worry, it's gonna be alright
I'm in a hurry, I'm gonna drive all night
Be there in the morning, you can bet your @ss
I got both hands on the wheel, and my big foot on the
gas yeah

Right there...
I got my big foot on the gas
Are you ready baby?
Big foot on the gas
