And now the day now is gone
I feel sad and alone
It's awaiting tomorrow

We say so many lies
But I feel something inside
And I can wait another day

And I'm still thinking about You
Because I want You
Be there any mather
I'm going crazy tonight
And I could die
What You cry for Me and I cry for You
Tonight and I could find
What You think of Me and I dream of You
Babe....

When I hear our song
I would like to be strong
I got so many sorrows
We never hang out of time
But i feel give up a try

And I can wait another day

And I'm still thinking about You
Beacuse I want You
Be there, any mather
I'm going crazy tonight
And I could die
What You cry for Me and I cry for You
And tonight and I could find
What You think of Me and I dream of You

Babe...
Because I want You
Because I need You
Tonight

Tonight and I could die
What You cry for Me and I cry for You

Tonight
