Warm

Leatherette (4x)

See the broken glass

In the underpass

Hear the crashing steel

Feel the steering wheel

As warm leatherette

Melts on your burning flesh

I can see your reflection

In the luminescent dash

Warm

Leatherette (4x)

Leatherette

Warm Leatherette

Leatherette

Leatherette (2x)

A tear of petrol is in your eye

As the handbrake penetrates your thigh

Quick- let's make love

Before you die
