All your love I got to have one day  
All of your love I got to have one day  
Woman love you baby love you night and day  
Oh night and day

All of your love I got to have one more time  
All of your love I got to have one more time  
Woman love you baby love you a piece of mine  
A piece of mine  
Listen

See you don't have to work all day  
Just loving me right and you got it made  
All your love I got to have one more time  
Woman love you baby love you piece of mine  
A piece of mine

Whoa yeah whoa yeah yeah yeah  
Whoa yeah whoa yeah yeah yeah  
Beacause your mine  
Beacause your mine  
Beacause your mine  
I just wanna squeeze ya  
Beacause your mine  
I just wanna hold ya  
Beacause your mine  
I just wanna love ya  
Beacause your mine  
Listen

See you don't have to work all day  
Just loving me right and you got it made  
Whoa yo no  
I got to have one more time  
Gonna love you baby love you piece of mine  
A piece of mine
