I'm a candy lickin' man
A candy licker yes I am
Lick some candy whenever I can
Keep on lickin' that's my plan

Out up your candy blouse baby
I'm gonna lick everything you got
Once I lick your lollipop baby
You won't want my tongue to stop

A candy licker man yeah
I'm just a candy lickin' man

Twist a candy in my face
Ooo I love the way that you taste
Just one lick I'll have you hooked
A little candy is all it took

Out up your candy blouse baby
I'm gonna lick everything you got
Once I lick your lollipop baby
You won't want my tongue to stop
You won't want my tongue to stop

If I lick your candy you will see
No other man can compare to me
I know you'll surley leave your man
You wanna be with me all you can

Out up your candy blouse baby
I'm gonna lick everything you got
Once I lick your lollipop baby
You won't want my tongue to stop
You won't want my tongue to stop
You won't want my tongue to stop no
You won't want my tongue to stop yeah

A candy lickin' man
Oh I'm just a candy lickin' man
A candy lickin' man yeah
Oh just a candy lickin' man yeah
Candy licker

Oh candy licker
I'm just a candy lickin' man yeah
Oh I'm just a candy lickin' man
Candy licker
Oh oh candy licker
Candy lickin' man
