It's screamin' down in my soul  
It must be love, oh oh yeah  
Cause every minute of the day  
Is you that I'm thinking of, yes it is  
You know my body is shakin'  
And my knees are weak  
I barely have the strenght  
To stand up on my feet

You don't know what you do to me baby  
Got my head in the clouds  
Cause every time you speak my name  
I just have to shout out loud, oh  
It must be love, oh baby it must be love

What you do to me was a crime, baby  
You'll be sitting in jail yes you will  
Til you a hundred and nine, oh oh yeah  
You got to stop what your doing to me ha  
You got me so blind that I just can't see ha  
I walk around in a daze yes I do  
Sometimes I don't ever know my name  
Drinking sinking in the water  
Now you know that's a cryin' shame  
O it's love, so much so much now  
It must be love, mmm

All my friends they call me a fool  
I guess you can say that's it's true  
But if you been getting what I've been getting  
You'd be the same way too  
Oh about love, oh yes  
It ain't nothing but love  
I'm here to tell ya, I've been in love with ya  
Yes, and your trying to make a fool out of me, mmm

Got me going to work on Sunday's  
Oh ah and I'm thinking it's Monday  
Whoa, I must be love, Chico  
What you doing to me, must be love  
That's go me acting like a fool  
Oh that's what it is, it must be love

Chico, come on, show me show me  
They own it, they own it

Yeah  
It must be love  
Play it Chico play it play it  
Well  
Sure sound good  
It must be love
