The sky is crying
Ah can't you see the tears roll down the street
I said the sky is crying
Ah can't you see the tears roll down the street
Well I been looking for my baby
And I wonder where can she be

I saw my baby early one morning
And she was walking on down the street
I saw my baby early one morning
And she was walking on down the street
Well she hurt me so bad
Made my poor heart skip a beat
That's a bad thing I tell ya

I got a real bad feeling
That my baby don't love me no more
I got a real bad feeling
That my baby don't love me no more
Well the sky is crying
Can't you see the tears run down my nose
Ah yeah

Whoa

Whoa

Yes I'm bad

Whoa let's go home man
