If someone knew more about you
Than you do, totally knew, all of you through and
through

You could search all around the world
There's just one, special someone, standing so close to
you

What you take for granted is natural
But you know you can't forget
This one thing is true

kizuite ne?
Anata no motto mo chikaku ni iru yo
kizuitara nee tsutaete
sou ima sekai ga watashi ga ita de todokeru you ni
You made me what I am
You made me
You've done it all for me

And there's a side of me that no one sees
I hide my tears. You know my fears. Your smile is all I
need

What you take for granted is natural
But you know you can't forget
This one thing is true!

kizuite ne?
Anata no motto mo chikaku ni iru yo
kizuitara nee tsutaete
sou anata yori mo anata wo wakatteru hito ga iru wa
Made me what I am
You made me
You've done it all for me

But you know you can't forget
This one thing is true
