Hajimete kotoba wo kawashita hi no
Sono hitomi wo wasurenaide ne
Iikagen datta atashi no koto
Tsutsumu youni kagayaiteta

Tooi natsu iki wo koroshi tonbo wo totta
Mou ichido anna kimochi de
Yume wo tsukamaete ne
So you don't have to worry, worry
Mamotte agetai
Anata wo kurushimeru subete no koto kara
'Cause I love you, 'cause I love you
Konogoro shizunde mieru keredo
Kocchi made buruu ni naru
Aenai toki ni mo anata no koto
Mune ni daite aruiteiru

Higure made dote ni suwari renge wo anda
Mou ichido anna kimochi de
Yume wo katachi ni shite
So you don't have to worry, worry
Mamotte agetai
Hoka ni wa nani hitotsu dekinakutemo ii
'Cause I love you, 'cause I love you

So you don't have to worry, worry
Mamotte agetai
Anata wo kurushimeru subete no koto kara
'Cause I love you, 'cause I love you
