Mabushikute miageta, sora wa subete o tsutsumi komu  
Hitamuki na omoi kakae ta, anata no sugata omoi  
dashite ita

Osorezu ni arukeba soko ni, ashita wa miete kuru

Shinjite ite ne, donna ni kanashii yoru ga otozuretemo  
Kitto dareka ga anata o mamotteru... mitsumeteru...  
Sono namida fuite waratte... hitori jyanai

Kinou yori atarashii taiyou ga, ima nobotteku  
Hajike dasu kuuki no naka ni, mayou kimochi o arai

Shinjitsu no tobira wa itsuka, kanarazu hirakareru

Takegae no nai chikyuu ni, umareta kiseki wasurenaide  
Nan okunen mo mae kara tsuzuite ru  
Taisetsuna dareka ni meguri au tame no, shirushi

Shinjite ite ne, donna ni kanashii yoru ga otozuretemo  
Kitto dareka ga anata o mamotteru... mitsumeteru...  
Sono namida fuite waratte... hitori jyanai
