It was late last night.  
I was feeling something wasn't right.  
There was nothing, not a soul in sight.  
Only you.

So we walked along.  
Though I knew that there was something wrong,  
And the feeling hit me oh so strong,  
About you.

Then you gazed up at me.  
And the answer was plain to see.  
As I saw the light in your eyes.  
In your eyes.

Though we had a fling.  
I just never would suspect a thing.  
Till the little bell began to ring in my head.  
In my head.

But I tried to run,  
Though I knew it wouldn't help me now.  
'Coz I couldn't ever love no one or so I say.  
I say.

But my feelings for you,  
Was just something I never knew.  
Till I saw the light in your eyes.  
In your eyes.

In your eyes.

But I love you best,  
It's not something that I say in jest.  
'Coz it's a different cut from all the rest in my eyes.  
In my eyes.

And I learned all before.  
But I won't do it anymore.  
Can't you see the light in my eyes.  
In my eyes.

In my eyes.
