Asayake o mitsumeteru anata o, watashi wa miteta
Two of us futari ni, tari nai mono o kazoe tara
Nandaka okashiku natte, koe o agete waratta

Nayan da hibi no kotae nante
Arukidasu koto shikanai yone

*Kasa ne au samishisa wa, nukumori o oshiete kureta
Dakiaeba namida sae, wake mo naku, itoshii

Mirai no futari ni
Ima o wara warenai youni

Isogashiku ugoki dasu machi yori, yukkuri arukou
Smile on me subete o, kanawa numono to akirame tara
Kokoro ga kaze o hiku kara, genki nanka denai you

Kasa ne au kuchibiru no, nukumori o shinjite itai
Dakishimeta setsunasa ga, itsudatte hajimari
