Mabushikute miageta, sora wa subete o tsutsumi komu
Hitamuki na omoi kakae ta, anata no sugata omoi
dashite ita

Osorezu ni arukeba soko ni, ashita wa miete kuru

Shinjite ite ne, donna ni kanashii yoru ga otozuretemo
Kitto dareka ga anata o mamotteru... mitsumeteru...
Sono namida fuite waratte... hitori jyanai

Kinou yori atarashii taiyou ga, ima nobottekku
Hajike dasu kuuki no naka ni, mayou kimoichi o arai
naga souyo

Shinjitsu no tobira wa itsuka, kanarazu hirakareru

Kakegae no nai chikyuu ni, umareta kiseki wasurenaide
Nan okunen mo mae kara tsuzukiteru
Taisetsuna dareka ni meguri au tame no, shirushi
dakara

Shinjite ite ne, donna ni kanashii yoru ga otozuretemo
Kitto dareka ga anata o mamotteru... mitsumeteru...
Sono namida fuite waratte... hitori jyanai
