Haruka tooi mirai no shima e, chizu no nai bouken  
ryokou  
Chiisana OORU nigitte, kami hikouki ni youni  
Kaze ni nagsare, ame ni utaretemo ii sa  
Yume o kogi dasu yo  
Let's travel on a mapless adventure to an island in the  
far off and distant  
Future  
Gripping our small oar like a paper airplane  
Floating on the wind, even singing in the rain  
Rowing our dream

Bokura wa minna TOMU SOOYA sa, kawaita jidai no  
naka de  
Futatsu no kodou hitotsu ni naru, chikyuu no RIZUMU  
kanjite ita  
We're everyone's Tom Sawyer when it's boring  
Two beats became one and we felt the rhythm of the  
earth

Dokomademo hiroi, kono sora o jiyuu ni toberu nara  
Yes! Aoi kaze o ima, sui kande yukou yo  
How spacious is this sky if we fly free in it?  
Yes! let's seize a blue wind now

Haruka tooi mirai no shima e, chizu no nai bouken  
ryokou  
Chiisana OORU nigitte, kami hikouki ni youni  
Kaze ni nagsare, ame ni utaretemo ii sa  
Bokura wa kokoro ni yume o daite iru  
Let's travel on a mapless adventure to an island in the  
far off distant  
Future  
Gripping our small oar like a paper airplane  
Floating on the wind, even singing in the rain  
We're harbouring dreams in our hearts

Kotae o zenbu uketome tara, chissoku shite shimai sou  
Mienai mono ga sukoshi kurai, aru hou ga kitto  
shiwase dane  
If you react to all of the answers, you'll finish by  
suffocating

The things you can't see are a little dark, the  
information is surely luck

Doron kono KUTSU de, hashiri nuketa kisetsu,  
wasurenai  
Yes! Ano hi no TOKIMEKI, oi kakete yukou yo  
I forgot that we ran through the mud with these shoes  
Yes! let's chase after the throbbing of that day

Dare mo shiranai mori o nukete, saigo no bouken  
ryokou  
Futatsu no hitomi no oku ni, yaki tsuketa shunkan o  
Omoi no mama ni, tsunagi awasereba itsuka  
Bokura wa KIRAMEKU ashita o mitsukeru yo  
Let's travel on a final adventure, knowing no one  
escapes the forest  
In two eyes, that instant was scorched  
Like in feelings, if we join someday  
We will shine, discovering tomorrow

(Wasurenai...)  
(Oi kakete yukou yo...)  
(I remember...)  
(Let's chase after it...)

Haruka tooi mirai no shima e, chizu no nai bouken  
ryokou  
Chiisana OORU nigitte, kami hikouki ni youni  
Kaze ni nagsare, ame ni utaretemo ii sa  
Bokura wa ookina yume o daite iru  
Let's travel on a mapless adventure to an island in the  
far off distant  
Future  
Gripping our small oars like a paper airplane  
Floating on the wind, even singing in the rain  
We're harbouring large dreams
